UPDATE OF URBAN WATER MANAGEMENT PLAN

The City of San José Municipal Water System is currently reviewing and updating its Urban Water Management Plan, which was last updated in 2000. The Plan includes water supply and demand projections and identifies a water supply contingency plan for the Municipal Water service area. We encourage all of our customers to participate in this review process. We will make any proposed revisions to the Plan available for public review and will hold a public hearing later this year. In the meantime, if you would like to learn more about the current Plan, the schedule for considering changes to it, or how to participate in the process, please contact:

SUBJECT: NOTICE OF PREPARATION OF URBAN WATER MANAGEMENT PLAN

The Urban Water Management Plan Act (Water Code Section 10610-10657) requires the City of San Jose Municipal Water system to update its Urban Water Management Plan in 2005. We are reviewing our current Plan, which was last updated in 2000, and will be considering revisions to it. The Plan includes water supply and demand projections and identifies a water supply contingency plan for the Municipal Water service area. We invite your agency's participation in this process.

We will make any proposed revisions to our Plan available for public review and will hold a public hearing later this year. In the meantime, if you have any questions about our Plan or the process for updating it, please contact:
